

Hello everyone,

We will be closing our UV location Sunday (4/11) through Tuesday (4/13) due to a member of our team testing positive for COVID-19.

We are taking extreme caution and immediate action to ensure the health and safety of our guests and team members. To our guests, our team member did not contract COVID-19 at our establishment nor did they come in contact with anyone on our team when tested positive. While we are not required to close our business, we are doing so to allow our team time to get tested as well as sanitize and clean our space thoroughly in accordance with CDC and King County guidelines.

We thank you all for supporting us through this unprecedented time — it means the world! We will come back with the same vigilance in our health and sanitation practices as well as continue to offer a safe environment for our team members and guests. We look forward to seeing you all soon.

Stay healthy,

*Mr. West*
